

# PACIFIC PALISADES HOME TOUR

## Nomination Form- due February 28

Thank you for your consideration in having your home on the Pacific Palisades Woman's Club Home Tour. Without the care and dedication of our homeowners, the Home Tour and therefore the funds we raise, would not be possible. We ask that homes be available for staging and preview Saturday November 14 and viewing Sunday, November 15.

We recommend having one person stationed on each floor or in each distinct area of the home to greet and monitor guests, plus a greeter at the front door – in addition to PPWC docents. Greeters can be your home improvement professionals and people they recruit. Will they bring people to staff your home?
